Who Are We?

BBB ACCREDITED

Midwest Real Estate Solutions is proud to be a member of the Better Business Bureau and has been an upstanding member of the greater Chicago area for years.

Who Are We?

THE STORY OF MIDWEST REAL ESTATE SOLUTIONS

From the beginning, Joshua and Juan had a goal to work together in real estate doing what they love, and wanted to share their passion of real estate with others. Through the years, they've developed a solid foundation of real estate knowledge, the expertise necessary to navigate any transaction; and have the integrity to follow up on promises.

Early on, as they began to develop the company and carve their niche in the big world of real estate, they quickly realized that there was a distinct need for certain real estate services they originally did not foresee. So they decided to create a set of companies - where in collaboration with one another, they would offer a package of services under one large umbrella, known as "Midwest Real Estate Solutions".

Who Are We?

For years, Joshua and Juan dreamed of creating their own real estate business, but didn't know how it would work. They knew they had to start somewhere; The two diligently worked out of their home, throwing everything out on the table - using every last bit of their savings, equity lines and credit cards to make their business work. They refused to take no for an answer!

Fast-forward a short year later, the two brothers opened a real estate investment company. After earning their stripes and gaining the knowledge to successfully create and build their business, the two finally fulfilled their dream and "made their mark".

Mission Statement

When a passion for real estate is combined with talented individuals who have an uncompromising drive to succeed, amazing things will happen. At Midwest Real Estate Solutions, it's our goal to not only have a positive effect on ourselves and our families - but also to inspire, motivate and create lasting change in everyone we encounter. We will treat our clients and team members with respect at all times. Our motto is and will always be, "Where there's a will, there's a way - and failure is merely lack of effort." Our company will dedicate itself to everlasting education and professional growth that will make the leaders of tomorrow. We take a SERVE approach to everyone we work with.

OUR EDUCATION

As always, having the correct knowledge is essential in order to carry out any mission. We have invested a great deal of time, energy and capital investment into our real estate education to make sure we not only protect ourselves, but also provide you with the peace of mind knowing that we are a legitimate company with sound knowledge and experience.

We've been mentored by the nations' premiere Real Estate Investment Company, CT Homes, LLC, also featured on the hit TV show "Flip This House". Our real estate investing mentorship involved a comprehensive 6-month curriculum, covering all the ins and outs of creative real estate investing. Beyond the principles of sound investing, we were also thoroughly trained on how to build a successful business based on systems and predictability.

Having been involved in thousands of real estate transactions, our personal investing coaches have created the necessary systems and tools to allow us to strategically invest in real estate; and grow and expand our business. These tools are readily available for us to leverage when analyzing our real estate deals.

Working With Us

WHY WORK WITH MIDWEST REAL ESTATE SOLUTIONS?

When we work directly with a home seller, what we provide can not only make for a smooth transaction, but it can also add up to thousands upon thousands of dollars in savings as compared to selling a home through traditional means. With the ability to directly purchase homes and make cash offers, we can create extremely fast and hassle-free transactions.

There are many creative ways to help you out of any situation. We pride ourselves on our reputation for working one-on-one with each customer to handle each individual situation; and it's our goal to make each client feel like we achieved a WIN-WIN scenario.

Most homeowners have no idea what options are available to them beyond listing a house with a Realtor or trying to sell the house on their own and just hoping for the best. We provide a unique alternative to listing their house on their own or with a Realtor. Your Realtor gets paid a commission for his or her services which is a percentage of the home's selling price. In most cases, you may also be encouraged to fix up your home and yard to attract more potential buyers – and sometimes it can involve hiring expensive contractors.

Programs We Offer

CASH PURCHASE PROGRAM

Utilizing cash funding from our national network of investors allows us to circumvent many of the nuances of a traditional real estate closing. We can purchase your home directly from you, and you won't have to pay any hefty Realtor commissions. In addition to our funding source, we will be buying the home absolutely AS IS – meaning, we would never ask you to make a single repair on the home. Furthermore, Midwest Real Estate Solutions fully understands the importance of timing. You may be in a situation where you need to close quickly or, you may need a few months to transition your life. Either way, we can facilitate a fast and easy closing in 10 days or less - or as long as you need. We are here to work with you.

LOAN MODIFICATION PROGRAMS

A "Loan Modification Program" is a special program designed to help homeowners who have experienced a previous hardship, get back on track with their mortgage. We will work directly with you and your lender to help you qualify. However, you must have recovered from that hardship, and be able to make your mortgage payments again. Often times, the lender will require some sort of partial payment before they will consider a loan modification program. The relationships we've built with many banks will help you immensely during this process.

SHORT SALE PROGRAMS

With today's transitioning real estate market, it can be very difficult for some homeowners to sell their property. You may be overleveraged and tempted to just walk away from the home. However, this is not in your best interest, and there are serious consequences if you let the home go into foreclosure. If you are currently experiencing this scenario, it's important to know that you do have options! We are very successful at negotiating debt with banks, and can often times purchase the property directly from you - thus saving you from a foreclosure.

CREDIT REPAIR PROGRAMS

Whether you are looking to repair your credit from an unfortunate financial event or improve your credit score in order to purchase another home in the future, our network of credit repair specialists can produce results quickly. We can provide educational materials, step-by-step instruction, and professional credit coaching throughout the course of a year to help you get right back on track.

HOMEOWNER RELOCATION PROGRAMS

We realize the challenges homeowners face when selling their property. This is why Midwest Real Estate Solutions created the Homeowner Relocation Program. We will work hand in hand with you to locate another home or an apartment depending on your needs. We can also arrange for movers to assist, if this is something you desire. We know selling a home can be stressful, and we believe in going the extra mile for our customers.

REFER TO A LOCAL REALTOR

Although we will make an offer to purchase your house, you might want more money than what we can offer. If that is the case we would be happy to refer you the right Realtor for your area. We know that not all Realtors are created equal. Therefore, we do a thorough prescreening of all our referrals to ensure that they are an adequate representation of our company.

Our Risks

There's no such thing as a perfect house -- every home, even newly constructed ones, will potentially have some issue or another. Our company builds value by rehabilitating properties in need of repairs - whether light cosmetic repairs, or significant repairs.

In many cases, we buy houses that have fire damage, termites, mold, foundation problems, roof problems or need of other major repairs. Houses with these conditions scare most buyers, and most real estate agents don't like listing them because they know such houses are hard to sell. We actually enjoy talking to sellers with these types of houses, because we can see the house's potential value after all the repairs are made; and breathe new life back into them by renovating and improving the condition of the house.

Here are just a few risks involved when we purchase properties:

- Previously unknown property conditions, or environmental hazards, such as toxic-mold, or others
- Expensive repair conditions may not have been apparent at, or became worse since the time of purchase
- Costly repairs not previously estimated for could offset the profit margin, such as HVAC, plumbing, foundation, etc
- Work permit complications, local restrictions, or codes and other legal problems that can arise
- Unexpectedly longer times in holding a property for repair, or marketing time extended, causing profits to be exhausted
- Ever changing market conditions, including lending requirements and availability of applicable mortgages for buyers

WE BUY ANY HOME IN ANY CONDITION!

Inspections on a home are helpful; however, the reality is - we never know what we're getting into until we start the renovation process.

Sometimes what seems like the simplest fix turns into a massive remodel - therefore, resulting in spending thousands of unexpected dollars. This is the risk we take when buying your home AS IS.

We do all the heavy lifting on the back end, so you don't have to.

Seller Testimonials

"My siblings and I decided to sell our family home after the death of both of our parents. Obviously, this can be a difficult time. Joshua and Juan made this a much easier situation by his kindness, yet professionalism. He is a wonderful person with whom to work. He went out of his way to make the process run smoothly, from offering us a fair price for our home, to setting a closing date that was convenient for us. He even went as far as to purchase a new door lock for us when the one we had requested that they remove for us wasn't able to be removed. Now that's going above and beyond the call of duty! Working with Joshua and Juan has been a very good experience. We highly recommend them!"

Anna Belle O'Shea, Evergreen Park IL

"My house needed alot of work and Realtors refused to list it without me fixing it up. I didn't have the money to fix it up so I don't know what I would have done if Joshua and Juan hadn't purchased it. Thank you for getting me out of the situation I was in and giving me a good price. I will always be grateful."

Mary Belczak, Downers Grove IL

I would like to acknowledge and give a great deal of appreciation and thanks to Midwest Real Estate Solutions for all the time, effort, and help that they have given me. About 3-1/2 years ago, my wife died of breast cancer and I was forced into living from one relative's house to the next. Then, when I thought I had found a home I wound up in a bad situation and a bad house. So I am thankful to God I found Midwest Real Estate Solutions and these two nice, wonderful brothers, John and Joshua Inglis to help me out of the situation I was in and to be where I am today in the house that I call home."

Charles Edwards, Sauk Village IL

"Joshua and Juan, I cannot thank you enough for buying my house in Downers Grove! Living a few hours away I was worried it was going to be difficult to sell my house but you made it quick and easy."

Anita Cassidy, Cromwell IN

"I want to thank Josh so much for buying this house, it took a burden off of me. He was so wonderful, thank you!"

Bettina Washington, Evanston IL
